

EV Jobs Academy - Career Profiles (MAGMA / WIN)

Occupation snapshots with wages, projections, pathways, and job postings to support workforce planning, counseling, and program development for EV careers.

What it is

A portal with 10 downloadable career profile documents created by the Workforce Intelligence Network (WIN) for the EV Jobs Academy, convened under MAGMA and the State of Michigan's EV Workforce Hub.

Use cases

Workforce planning, career counseling, program development, and employer discussions.

Notes

Funded by the State of Michigan (LEO/MEDC). Product by WIN; content may not reflect official positions of funders.
